People – View Students In Your Class

- In **People**, you can view registered students in your class.
- Step 1: Select the **Course** from the global navigation.
- Step 2: Click on **People** in the navigation menu.
- Step 3: In the right-hand column, you can see the tabs of **View User Groups**, **View Prior Enrollments**, **View Registered Services**, and **Manage Users**. Click on the **View User Groups** to view **Course Roster** or make a **New Set of Groups**.
- Step 4: You can click on **View Course Roster** to view people in your course.
