Call for Scholarships
Deadline January 15, 2019

The Material Handling Education Foundation, Inc. (www.mhefi.net) is an independent charitable organization that was established in 1976 with a mission to attract students to the material handling, logistics and supply chain industry by providing financial support. Since 1976, more than $2.5 million in scholarships and grants have been awarded to students. Forty-two scholarships were awarded for the 2018/2019 academic term for a total of $131,000.

The Foundation will offer scholarship award opportunities to students who possess a commitment to the material handling, logistics and/or supply chain industry. Ways to demonstrate this commitment include but are not limited to:

- Relevant coursework
- Internships/Co-ops/Industry experience including attendance at industry sponsored events (local and national)
- Related projects, papers, or research
- Other tangible indicators reflecting an understanding of the industry's value proposition

Scholarship awards range from $1,500 to $6,000 and must be used for costs relating to tuition, fees and books associated with attending school full-time. One application allows students to compete for multiple scholarships offered by the Foundation.

Target programs:
Students from programs listed below that have a focus on material handling, logistics and/or supply chain management are particularly encouraged to apply.

- Industrial Engineering
- Industrial Distribution
- Mechanical & Electrical Engineering
- Computer Science
- Business & Management

Qualified Schools:
Some post-secondary schools and programs have been pre-qualified (see list at http://www.mhi.org/mhefi/scholarship - bottom of page). Other programs in schools located in the United States are qualified if they are accredited by:

- ABET
- ACBSP
- AACSB
Scholarship eligibility and criteria include:

For the 2019/2020 academic term, the following students are eligible to apply:

- Students enrolled full time at a qualified four-year school in bachelors, masters or doctoral program that is on the target list of programs. Bachelors student must be classified as a junior or senior in the Fall 2019 term to be eligible.
- Students from two-year, post-secondary schools (e.g., junior, community, or technical colleges) are eligible if the student has completed a minimum of two years of study and has been accepted as a transfer student to a target four-year baccalaureate program at a qualified school in the United States.
- All applicants must be full-time students with a "B" grade point average in their major.

Instructions to apply for scholarships:

Complete the online application at [https://MHEFI.fluidreview.com](https://MHEFI.fluidreview.com). One application allows students to compete for one of the many available scholarships.

Three (3) letters of recommendation are required as supporting documentation with your application. Letters of recommendation should be from individuals who can confirm and briefly explain the applicant’s evidence of commitment to the industry (e.g., relevant coursework, internships/co-ops/industry experience, related projects/papers/research, and/or other tangible indicators). Ideal candidate for writing these letters include:

- A faculty member familiar with your coursework and/or projects
- A direct supervisor during your work experience
- An individual who made it possible for you to attend an industry event
- Anyone familiar with you and your connection to the industry who can verify your commitment and understanding of the industry’s value proposition

Letters of Recommendation must be sent to the Foundation directly from the author. Please note . . . **We will not accept Letters of Recommendation forwarded by the applicant.** The authors should e-mail the recommendations in the form of a Word document, pdf or e-mail to dvarner@mhi.org.

Official transcripts of all academic work completed beyond high school is also required as supporting documentation with your application. This includes your current school, prior schools and/or community, technical or junior colleges. **Official transcripts must be sent to the Foundation directly from the Registrar’s office or equivalent office at the school.** Official transcripts can be sent two ways:

- **Preferred** . . . Via e-mail from the school with a secure download link sent to dvarner@mhi.org.
- Via regular postal mail directly from the school to Donna Varner at MHEFI, 8720 Red Oak Blvd., Suite 201, Charlotte, NC 28217.

Please note: International Master's Degree or PhD students do not have to provide international transcripts from their bachelor's degree if they are currently enrolled in an eligible school and in a target program in the United States and their current US transcripts can be provided.

Students may also upload other supporting documentation to demonstrate their commitment and understanding of the material handling, logistics and supply chain industry such as:
The online application, three (3) letters of recommendation and all official transcripts must be received in the Foundation offices by **January 15, 2019**.

Scholarship awards for the 2019/2020 academic term will be announced by **April 30, 2019**.

Please forward this information to all eligible students in your program and encourage them to apply for scholarships and complete the process before **January 15, 2019**. We wish all your students the best of luck in the scholarship award process.

Best regards,

Donna Varner
MHEFI Executive Director
