Engineering Student Success Center (ESSC)
9am - 12pm | Room 344
Staff and peer mentor resources for engineering student success. Services include: general education advising, peer advising, professional development, graduation planning, & campus resources.

Diversity Programs
9am - 1pm | Room 366
Learn about clubs, events and programs that help you succeed as a diverse engineering student at SJSU. MESA Engineering Program (MEP), Women in Engineering (WIE)

Engineering Building Tours
9am - 12pm | Engineering Lobby
Explore the labs & classrooms and learn about the college with student-led tours.

Barbeque (Lunch)
12pm - 1pm | Engineering Courtyard
Join us for a BBQ from noon - 1pm in the engineering courtyard. No entry, and food will be available while supplies last.

Coffee with the Dean
9am - 10am | Room 385
Coffee with faculty and the Dean of Engineering. Learn about the college and ask questions.

ENGR MakerSpace
Room 184
College facility with fabrication equipment for engineering projects.

ESSC Workshop
3pm & 3:30pm | Room 329
Were you admitted as Undeclared or another major at SJSU and have decided you want to pursue Engineering? Or are you an Engineering major wanting to change within Engineering? Come learn about the majors we offer and the Change of Major process in the College of Engineering. Study plans and general information will be given.

**Department Presentations 10am & 11am**

- **Aerospace Engineering**
  - Room 164 | 10:00am Student Panel
  - Room 164 | 11:00am Program Presentation

- **Aviation**
  - Room 133 | Industrial Studies Bldg | 10:00am Program Presentation
  - Room 133 | Industrial Studies Bldg | 11:00am Student Panel

- **Technology**
  - Room 103 | Engineering Building | 10:00am Program Presentation
  - Room 103 | Engineering Building | 11:00am Student Panel

- **Biomedical Engineering**
  - Room 340

- **Chemical Engineering**
  - Room 339

- **Materials Engineering**
  - Room 355

- **Civil & Environmental Engineering**
  - Room 150 | 09:30am Department Presentation
  - Room 150 | 10:15am Department Presentation
  - Room 150 | 11:15am Department Presentation

- **Computer & Software Engineering**
  - Room 235 | 10:00am Program Presentation
  - Room 235 | 11:00am Student Panel

- **Electrical Engineering**
  - Room 376 | 10am Student Projects Showcase
  - Room 376 | 11am Program Presentation

- **Industrial & Systems Engineering**
  - Room 194

- **Mechanical Engineering**
  - Room 341 | 09:30am Program Presentation
  - Room 341 | 10:15am Program Presentation
  - Room 341 | 11:00am Student Panel

- **General Engineering**
  - Room 393

---

**Open Labs & Demos 9am - 12pm**

- **Aerodynamics Lab** | **Room 107**
- **Space Systems Lab** | **Room 236**

- **Flight Simulation Lab** | **Room 133** | **Industrial Studies Bldg**

- **Manufacturing Systems** | **Room 101** | **Engineering Building**
- **Computer, Electronic, & Network** | **Room 117** | **Industrial Studies Bldg**

- **Biomedical Engineering Student Club** | **Room 182**
- **Biomedical Engineering Research Lab** | **Room 221**

- **Biochemical Engineering Lab** | **Room 109**
- **Microscale Transport Engineering Lab** | **Room 201**
- **Vascular Mechanobiology Lab** | **Room 203**
- **Biotechnology & Renewable Energy Lab** | **Room 205**

- **Battery Research** | **Room 227**
- **Materials Characterization Lab** | **Room 223**
- **Materials Processing & Microscopy Lab** | **Room 231**
- **3D Printing & Additive Manufacturing** | **Room 235**

---

**Student Clubs and Organizations**

The College of Engineering hosts over 70 student clubs and organizations from student chapters of professional associations to groups with the mission of building a project for competition. Members of these organizations will be stationed throughout the building.
