STAR Act (SB 1440)
Associate Degrees for Transfer

A Degree with a Guarantee
(AA-T & AS-T degrees)

Two years Later …
Guarantee:

- Admission priority:
  - Guaranteed admission to the CSU
  - Supplement course criteria is met with ADT
  - Admission GPA bump (0.1 for impacted programs)
- Lower division GE completed prior to transfer *(except in Chem)*
- Only 60 units required for bachelor degree after transfer
Degree to Degree Articulation

- Currently 32 approved Associate Degrees for Transfer (ADT = AA-T/AS-T)
- SJSU has deemed 28 as similar (to 53 of our degree programs)
- Check the [www.sb1440.org](http://www.sb1440.org) website or [www.adegreewithaguarantee.com/](http://www.adegreewithaguarantee.com/) for the most current status of these degrees and similar programs at the CSUs
Best Advice For ADT Students

• When the ADT has course options, advise students to take the courses which articulate to courses required for that major, at the CSU they wish to apply. (See ASSIST.org)

• Encourage students to complete the Amer Inst and second semester English composition requirement as part of the CSU GE requirements at their CCC.

• Once students complete the second semester English composition course, they should take the WST at SJSU (even if they haven’t applied for admission).
ADT Students who take this advice:

- Prepared for upper division course work
- More choices in their 60 units taken at SJSU
- More flexibility if student ends up changing their major or concentration (even though the 60 unit guarantee is void)
- Students will meet graduation requirements prior to transfer for any degree program at SJSU (e.g. LD GE, Amer Inst or 2nd Engl composition)
